APA CITATIONS SUMMARY

Website Citation

Not every web page will provide all your information. Collect what you can. Use n.d. if no publishing date is given. Use the title of the page if no author is available. If creation date or last update is given, replace (n.d.) with date like this: (2007, July 8).

*Ensuring that student loans are affordable.* (n.d.). Retrieved from https://www.whitehouse.gov/issues/education/higher-education/ensuring-that-student-loans-are-affordable
